Use this form to report the status of your 2022 Community Impact Grant Project or Program (Program). Please use a separate form for each grant your organization was awarded.

Information reported in this form pertains to the 2022 Grant Cycle year, which began 9/1/2022 and ends 8/31/2023. For this report, please present data available through 5/1/2023, and project your anticipated results through 8/31/2023. Estimate, to your best ability, if you are on track to meet your program's proposed goals by the end of the grant cycle. Submit this form by June 30th, 2023.

If you have any questions or concerns, don't hesitate to reach out to info@uwrutlandcounty.org, or call 802-773-7477.

SUBMISSION DEADLINE: 5pm, June 30th, 2023

This form is also available as a Google Form at:

We recommend reviewing the questions below (next page), and collecting the information needed prior to beginning the Google form. You must fill and submit the entire Google form in one session (you cannot save a partially completed form to finish at a later time).

The Google form allows you to upload spreadsheets, documents, or other files as a simple option for completion. Please utilize this option if it is convenient to you, and if you have any questions don't hesitate to reach out!

1. Target Population

The information that you report here is flexible based on your target population. For example, if your target population is individuals with disabilities, it may make sense to track more detailed categories such as physical, cognitive, learning disabilities, etc. The more information you present here, the more you demonstrate broad impact across the community.

Describe the actual population who have received services via this program to date and, if relevant, how this will change as the program progresses.

--

Has the target population changed in any way?	No	Yes
---	-----------	------------

(Explanation of Changes)		
--------------------------	--	--

Provide non-identifying tracking information on program participants, including:

- Number of actual participants in programs/events/etc
- Number of unique participants in programs/events/etc
- Applicable demographics for program participants (age, race, self-identified status, etc)
- Town of home residence for program participants
